

Cheaters: The Who, What, When, Where & Why of Cheating

This handbook is a complete guide to the who, what, when, where & why of cheating. I interviewed many cheaters to gain a perspective on the ins and outs of cheating. These cheaters actively participated in discussions and debates which eventually cultivated many key concepts and theories in this book. This guide is intended to enlighten and empower individuals by covering various aspects of cheating behaviors and their mindsets. It provides you with everything you need to know about infidelity.
