

Good Night, Little One

Lift the flaps and peek into the napping places of all kinds of animals, from bumblebees to bunnies, zebras to monkeys and more, in this snuggly, sweet bedtime book! On each beautifully illustrated spread, a sturdy die-cut flap hides baby bees sleeping in a beehive, baby bunnies sleeping in a den, baby fishies sleeping in the deep blue sea, a silly toddler hiding under a bed, and more! Salina Yoon's bold illustrations and sweet, rhyming text build on the familiar bedtime routine of saying good night to the world. This book is the perfect way to prepare little ones for sleep.
