

# Date Decoder: Military Intelligence Techniques to Expose What What Hes Really Thinking

Have you ever wished you could read your dates mind and find out what hes really thinking? Now you can! Professional interrogator Greg Hartley and author Maryann Karinch are here to teach you how to unmask any man in minutes. Using actual intelligence techniques from Hartleys military career, youll learn how to: Read a mans body language Understand his nonverbal cues Find out if hes lying Date Decoder also helps you answer those questions that plague you in the early stages of a relationship: Is he really interested in me? What can I do to make him let his guard down? I think he might be cheating-how can I be sure? Whats really going on in that pretty little head of his? Youll also learn how to assemble your own date-decoding toolkit, including everything you need to interpret and influence your date. Finally, you can stop wasting time and start dating smarter!
