

Kids Car Activity Book - Fun Math Puzzles: Ending Backseat Battles!

Another exciting kids activity book by Samuella Taylor, author of other kids favorites such as *Mischievous Macy* and *My Genius Baby: The Five Senses*. Driving around with sweet and active kids in the backseat can be fun as long as it is a short drive and kids are busy. But what to do when things turn ugly in long drives and the little ones resort to crying and fighting in the backseat, just when you are trying to figure out how to get through your very long drive or busy day! Healthy Mind Media offers you another perfect long drive companion for a fun family trip! Kids 5 and up can fill out these fun and brain-taxing colorful puzzles for hours of fun in the backseat! The book, which is part of a series, has exciting and fun games to help kids learn new math skills while keeping them busy while you can drive the car. These puzzles will not only enhance their learning abilities but also increase their problem solving skills. Contains: 10 Find-a-way puzzles 27 Math search puzzles 10 addition, subtraction, multiplication puzzles Instructions and examples to assist! Answers to all puzzles given at the end Healthy Mind Media is always looking for reader feedback and comments. We welcome your reviews on Amazon and other sites as well as look forward to hearing from you at healthymindmedia@gmail.com
