

Chippys Winter Song (self-esteem, kids books, confidence)

Chippy the chickadee thinks that there is nothing special about him. All of the other birds fly faster, are bigger, more colorful, or louder than Chippy. Is there anything at all that makes Chippy special? An excellent short picture book that helps kids understand that everyone is special. There is no one like exactly like them. Your child gains confidence and builds self-esteem knowing that everyone, even the little chickadee is unique and special.
