

The Best of Everything After 50: The Experts Guide to Style, Sex, Health, Money, and More

The Best of Everything after 50 provides top-dollar advice in an affordable format. When Barbara Grufferman turned fifty, she wanted to know how to be a vibrant woman after the half-century mark. She went in search of a What to Expect book, but couldn't find one. So she consulted New York City's leading doctors, personal trainers, hair stylists, fashion gurus, and financial planners including: Diane Von Furstenberg on the right fashion choices, Laura Geller and Carmindy on makeup tips, Dr. Patricia Wexler on the best skin care regimen, Frédéric Fekkai on hair care, Jane Bryant Quinn on financial concerns, Julie Morgenstern on organizing your life. Barbara adopted their programs and prescriptions, and got life-changing results and now she shares her experiences. With a handy format and checklist style, The Best of Everything after 50 makes high-priced advice accessible to any woman interested in getting answers to the issues that concern her most.
