

The Berenstain Bears Under the Sea

The Berenstain Bears dive under the ocean to discover life below the waves! The family meets flying fish, dolphins, sharks, and giant squid while getting a close-up look at undersea plants in this remarkable learning adventure. This 8x8 paperback picture book takes young readers on the trip of a lifetime with their favorite bear family. For more than 50 years, the Berenstain Bears have been delighting children around the world. This latest installment will add to a growing legacy of excellence in children's literature.
