

Watchers

Whos hiding in corners and watching in the dark? A trap is set and our hero receives a big surprise when the watchers are finally captured. Something is watching Thomas as hes sleeping. He decides that he will discover who is frightening him and hatches a plan to catch them in a trap. The story goes from spooky to secure when Thomas discovers those he has captured are really there to protect him. A bouncing bedtime tale your kids are sure to request again and again even after they know the secret.
