

Elliot Stone and the Mystery of the Summer Vacation Sea Monster

Elliot Stone's Summer is ruined! Not only will he be away from his best friend Jake, but he'll have to miss Cassie's graduation party of the century while he spends an entire month in a Vermont cabin on Lake Bomoseen. After Elliot's dad shares the legend of the Loch Ness Monster, a month at the lake suddenly doesn't seem so boring. The situation quickly escalates as Elliot encounters a strange sighting in the lake. But when he meets Marley, the totally cute girl next door, they embark on a mission he hadn't quite planned on.
