

## The Gift (Nelson Estates Series Book 1)

In this continuation of the Muse Series, Ruthie is eleven and must deal with losing Cam, the boy she always thought was her twin brother, after his father sues for custody. Soon afterwards, her guardian, Aunt Sarah, is given a gift which opens the door to lies and deceptions that put everyone in danger. This book is a novella, following in the style of classic V.C. Andrews novels which combine gothic horror with family saga, and continues where *In My Frozen Tears - Vol. 2* left off.
