

Twist My Charm: Love Potion #11

Middle school crushes are WAY more complicated when you have a love potion. Everyone knows love potions dont really work. But Cleo got one as a gift. And it would be crazy not to at least try it . . . right? The plan is simple: make Cleos exbest friend Samantha and her (secret) crush Larry fall in love. If it works, Sam will be so happy, shell want to be Cleos friend again! But when Sam gets suspicious, only Larry drinks the love potion. And now suddenly Larry is in love with . . . Cleo? And then it gets worse. Cleos dad drank the other glass of punch, and suddenly hes in love with Samanthas mom. Which would have been really cool when Cleo and Sam were still friends . . . but now that theyre frenemies? Disaster! Is there a potion to make everything go back to normal? Fans of Sarah Mlynowski, Lauren Miracle, and Wendy Mass will love this fresh contemporary story with just a touch of magic.
