

The Great Five: Parilar

As one of the few luzos that can move between worlds, Parilar finds his partner in Jella. He has chosen her to rescue a small community in another world from grave dangers. The completely unprepared young girl plunges into a foreign environment and must face up to dangers and adventures that she has never even dreamed of before. It soon turns out that she possesses extraordinary abilities, and so, with Parilar's help, she is expected to enter into battle with the greatest enemy of her home.
