

The Firefly Legacy Book V - A Most Unique Cat

The Firefly Four (Rebecca, Jin, Meera and Louise) face their toughest challenge in this, the fifth book of The Firefly Legacy. Change is happening in Rebeccas world and much of it is very unwelcome. In typical style, Lexie causes problems again and Jin speaks of departing to China! How will Rebecca cope? Thank goodness for the Firefly Club. A new adventure beckons but where are the cats? Those nosey felines that sit along Dreary Lane, watching Rebeccas every move, have disappeared. Without them the Fireflies are floundering. Whats gone wrong? Does the answer lie with the perplexing appearance of dead fish, the dastardly scientist, the friendly chocolate-colored cat, or all three? To solve this mystery the Fireflies go to new lengths, risking their lives to save the neighborhood cats with the help of a new enigmatic teacher. But will Dreary Lane ever be the same again? More tunnel adventures await the four in Book V A Most Unique Cat.
