

## Colors of the Sun and Moon

An inquisitive young girl questions her grandmother about the science behind the colors of the sun and moon. With a forward by Spencer Christian. Colors of the Sun and Moon is the second book from the new multicultural, multilingual childrens press, SundanceKid Press. The mission of SundanceKid Press is to promote cultural, ethnic/racial and linguistic diversity in childrens literature. Each page includes the English text along with the Spanish translation. A free audio recording is available on the SundanceKid Press website.
