

Grasshopper Glitch (S.W.I.T.C.H.)

Danny and Josh thought that today would be just like any other school day: wake up, eat breakfast, and go to school. Of course, they didn't expect to accidentally turn into grasshoppers in the middle of class! Can they avoid being eaten while they search to find the antidote? Will they be able to change back before getting a week of detention? And will they find time to eat those delicious-looking leaves?
