

# Not Quite Narwhal

In the tradition of Uni the Unicorn and Gaston, this heartwarming and adorable debut picture book tells the story of a young unicorn who was born under the sea to a family of narwhals. Growing up in the ocean, Kelp has always assumed that he was a narwhal like the rest of his family. Sure, he's always been a little bit different: his tusk isn't as long, he's not as good of a swimmer, and he really doesn't enjoy the cuisine. Then one night, an extra strong current sweeps Kelp to the surface, where he spots a mysterious creature that looks just like him! Kelp discovers that he and the creature are actually unicorns. The revelation leaves him torn: is he a land narwhal or a sea unicorn? But perhaps, if Kelp is clever, he may find a way to have the best of both worlds. Told with heartwarming illustrations and spare, sweet text, Jessie Sima's debut picture book is about fitting in, standing out, and the all-encompassing love of family.
