

Grandmas Wedding Album

Who wouldn't want to hear about how two people met, fell in love, and married especially if they're your beloved grandparents? A beautiful wedding album is shared between a grandmother and her curious grandchildren who see the enduring memories of their grandparents' wedding day. Karla Gudeon's exquisite illustrations capture Harriet Ziefert's timeless story about love, marriage, family, friends, and tradition. The book also includes an appendix with facts about wedding traditions around the world: from the African-American custom of Jumping the Broom to the Korean custom of painting three red circles, yonji konji, on the bride's cheeks.
