

Vacation Surprise (Buster Bees School Days #3)

In this book, Robert Stanek collects two favorite Bugville Critters stories--Go on Vacation and Rush to the Hospital--to create a unique reading experience. The witty narrative, with bountiful critter jargon, boisterous interjections, and plenty of humor, makes for a fun read-aloud, and colorful artwork captures the antics of the critters with playful perspectives and hilarious details. Nonstop action, good-natured critters, and a comical view of going to school and making friends will attract critter aficionados, older siblings, moms, and dads alike.
