

Meow!: A Lift the Cat-Flap Book

Celebrated childrens author Allan Ahlberg is on the lookout for a cat - but gets a bit distracted - in this silly lift-the-flap book. Clara has a little cat, A tabby tom named Jack, And when he goes out for a walk She waits till he comes back. Will the cat come back? Young readers follow Clara to the cat door to look - but each time theyre greeted by a different, decidedly unfeline creature, from a porcupine to a bear to a robot to, well, the Seven Dwarfs. And since theyre all inside anyway and have hung up their things, why not have a big party?
