

## The Middle-Child Blues

A clever, bluesy riff on middle-kid angst Lee has the low-down, big-frown, sulkin?-all-aroundtown blues. His older brother gets all the big-kid privileges, and no one expects his little sister to do anything but be cute. And sometimes his family even leaves him behind! But when Lee breaks out his guitar and finally makes his voice be heard, he draws a big crowd. It turns out lots and lots of people share his middle-kid pain?and he loves how being stuck in the middle is making him the center of attention.
