

Mr. Follycules Wonderful Beard

Be careful what you wish for it might come true! Poor Mr. Follycule has no hair. Not a single strand. In fact, he's as bald as a beach ball. Then one night he makes a wish: couldn't he have some wonderful hair to take care of? And the very next day, an amazing thing happens: he begins to grow the most magnificent beard—the biggest in the whole world! It's furry and fuzzy and shaggy and very, very hairy. The only trouble is, it won't stop growing. This heartfelt, funny, and fantastical story brightened with glitter on every page will delight readers of all ages.
