

The Littlest One

It is very difficult to be the youngest, littlest one in the family. Yurchyks sister and brother are too old to play with him now; they prefer to do other things. And his parents are too busy. His companion is just a puppy, a little dog named Klapovukh. Yurchyks father says that being big isnt just about growing taller but about doing big things! It takes courage to do big things: Is little Yurchyk brave enough?
