

## Surviving Life

Change is hard, especially when you're young. This is Mike's last year at Rodgers Middle School before he's off to high school. His eighth grade school year is spent trying to survive bullies, deal with his younger siblings, and pass his classes all while finding a way to get some enjoyment out of this crazy thing called life. He finds refuge in friends, family, and extra-curricular activities while learning some priceless lessons along the way.
