

A Couple of Boys Have the Best Week Ever

When James and Eamon go to a week of Nature Camp and stay at Eamon's grandparents house, it turns out that their free time spent staying inside, eating waffles, and playing video games is way more interesting than nature. But sometimes things work out best when they don't go exactly as planned. In this moving and hilarious celebration of young boys, childhood friendships, and the power of the imagination, Marla Frazee captures the very essence of summer vacation and what it means to be a kid.
