

I Just Love DINOSAURS!

Third episode of the series, after I Just Love MONSTERS! and I Just Love MY FRIENDS!. Discover a funny little book that will teach us that dinosaurs can be very fun. All the children know that. Because they just love dinosaurs, dont they? The story was written by the creator of The Book of The Animals series and The T-RRIBLE, J.N. PAQUET, and the illustrations were created by his 6 year old daughter, I.L. PAQUET. The book is entirely part of J.N. PAQUETs Fun-Learning Programme.
