

On Fire For God

This book is one the Lord has inspired me to write and I pray you will be blessed by my life. I was born and raised in Illinois and my life has taken me across the nation singing of Gods Grace. I share my life with others to inspire them to not give up, whatever the circumstance is. My story is of how God has taken my thru the struggles in life and sent me angels to comfort me. I have been blessed to be in heaven, not just once but twice in my life.
