

Yes, Virginia: There Is a Santa Claus

In 1897, eight-year-old Virginia O'Hanlon wrote the *New York Sun* to ask a simple question: Is there a Santa Claus? The editors' response was a stirring defense of hope, generosity, and the spirit of childhood. His essay has been reprinted countless times since, and the phrase "Yes, Virginia, there is a Santa Claus" has become part of American Christmas lore. Based on these actual events, *Yes, Virginia* is the story of a little girl who taught a city to believe.
