

Getting Out Of Your Own Way

Getting Out Of Your Own Way, is a straightforward and thorough guide to uncovering and dissolving many of your hidden limiting beliefs and blocks the Resistance the unconscious saboteurs that stand in the way of your progress. How do you know if you suffer from Resistance? Here are some common symptoms: Difficulty in making a start on a piece of work: Do you find yourself constantly putting back your starting time and never actually getting going? Are you often waiting for the right moment to start or for inspiration to strike you? Craving diversion: Does the need to tidy your room, do the shopping, surf the internet and so on become irresistible whenever you contemplate getting down to work? Are you easily distracted from your work by friends and social opportunities? Ineffective working: Do you spend a lot of time at work but end up with little to show for it? Last minute rushing: Is all your work finally done at a breakneck speed the night before the final deadline? Do you often think you have not left yourself time to do things properly? Missed deadlines: Do you feel you are always asking for more time and making excuses? Are you losing opportunities and respect because you are always late? Nagging guilt: Is your time off relaxing spoilt by the continual feeling that you ought to be working? Do you often feel you have achieved less than you should have? Disappointment and self-reproach: Do you feel you are letting yourself down by putting things off? Do you think of yourself as lazy? Do you compare yourself unfavourably with others because of your procrastinating? In this book you can learn simple processes to bring limiting beliefs and blocks into awareness, then use Emotional Freedom Techniques (EFT) based processes to neutralise those blocks so that you get on with what you want to do without procrastinating, dragging your feet,
