

## How Freckle Frog Made Herself Pretty

Miss Freckle Frog lived under a big rock. She was ugly, as all frogs are, but she loved pretty things, perhaps because she was not pretty herself. But although she was not pretty, she was a kind-hearted little body, and all her friends liked her. Miss Freckle Frogs friends help to make her pretty and in the end she realizes she doesnt need pretty clothes, because everyone likes her just the way she is.
