

Time Castles (Regency Rogues Book 1)

Thomas Stump is like almost any 10 year old boy with a vivid imagination and a thirst for adventure. In the first book of this series, Time Castles, Tom sets off with his family on their summer vacation to the shore. In addition to dealing with his teenage siblings, Tom deals with a mysterious set of clues and riddles that whisk him away from an ordinary vacation to a medieval adventure where he meets pirates, knights, kings and queens in a magical hidden world under the boardwalk. Throughout the adventure Tom is pushed on to believe in himself and the powers of his imagination and overcome the opinions of the everyday world.
