

Little Pig Figwort Cant Get to Sleep

The other little pigs snuggled and snoozed, but little Pig Figwort could not get to sleep! What I need is an adventure, Pig Figwort decides, and hes off for a dive in his submarine. But no one on the ocean floor wants to have fun; the mermaids and starfish are sleepy. So are the polar bears and seals at the North Pole. The moon pigs in outer space, however, are ready to play with Figwort until he just cant play anymore and goes home. That was so much fun that I dont think Ill ever go to sleep again, says Figwort, as he snuggles up with all the other little pigs and falls fast asleep. Dedicated to all sleepless piglets around the world, this book is a wonderful bedtime read-aloud.
