

Wild Cats (Eye to Eye)

Amazing stereo (3-D) and conventional (2-D) photographs bring young explorers eye to eye with fascinating creatures normally too quick, too shy, or too dangerous to approach! An easy-to-use viewer is bound into the front of each book, along with 24 collectible 3-D cards! Enjoy a close encounter with independent and mysterious cats -- without ever going to the zoo! You might even discover an ancestor of your own family pet. From the solitary sand cat to the sociable lion, the caracal to the lynx, Wild Cats covers it all!
