

Crooked Toes (Heart of the Hunter Book 5)

Short story for ages 10+ A monster boar? With crooked toes? Or is Dad just dreaming? Told in the hunters lore and language. Dads told me stories about a monster boar he calls Crooked Toes. Sometimes Id wonder if its just a figment of his imagination. Dads head can be pretty pig-mad and his stories a bit Harry Potterish. When I finally get to go on a hunt I see the prints for myself.
