

Mr. Ouchys First Day

Mr. Ouchy is nervous about his first day of school . . . even though hes the teacher! Will his students like him? Will he be able to find the bathroom? What if he cant remember his students names? Fortunately, his classroom keeps him busy; his students have plenty of their own questions, and the first day of school turns into a great day discussing things like Mr. Ouchys funny name, how long a minute really lasts, and what everyone wants to learn in the upcoming yearthings like whistling, playing drums and drawing dinosaurs. Barbara Hennessy offers a funny twist in this first-dayof- school story.
