

Mia and Her Time Machine: Ancient Egypt

Mia is a girl with her very own time machine. It was given to her by her late grandma before she passed away, telling her that she should use it when she wants to go on an adventure, and this is exactly what Mia does. In this book, which is the first in the series, Mia goes all the way back to ancient Egypt and learns about peoples lives and customs. Of course, she gets into trouble while doing so.
