

## The Bullied Series Box Set

STEPHEN KING ON CHRISTOPHER SMITH: Put me down as an enthusiastic Christopher Smith fan. ...Smith is a cultural genius. --STEPHEN KING

DESCRIPTION: In Christopher Smith's international best-seller *BULLIED*, the relentlessly bullied 18-year-old Seth Moore is gifted an amulet that ignites within him a wealth of supernatural powers. If Seth uses the amulet properly, it will protect him from those determined to crush him. But after so many years of being beaten down and humiliated, the question is whether Seth can resist creating a firestorm of horror when the bullies around him create one fatal, awful act that begs for revenge. Soon, all hell breaks loose. And when it does, a war builds against Seth as others vie to take control of the amulet and use its powers for themselves. It's a war that could mean the death of Seth's friends--and even Seth himself. From the best-selling author of *FIFTH AVENUE* and *RUNNING OF THE BULLS*, *BULLIED* is an intense thriller that moves at a break-neck pace. In print, the set is about 350 pages long.

PRAISE FOR CHRISTOPHER SMITH: \*\*\*DAVID THOMSON ON THE BULLIED SERIES\*\*\* It seems I'm the first to review this grand finale to what has been a really great series. It's a bit different. I suggested in an earlier review that it was like a cross between Stephen King and J. K. Rowling..and totally immersed in fantasy. But it's fun and gripping in an addictive sort of way and well worth the read. Chris Smith has found the fool proof solution for dealing with any apparently difficult situation...magic and the power of thought! If you want to lop off a villain's head but don't have the means, it's simple...just think a machete into your hand and hey presto, job done! And this sort of thing is prevalent right through the series, which sort of drifts away from the Bullied theme sometime during Book 2. Interestingly, the author

brings us right back to the theme towards the end of the concluding story and even leaves us with a very clear anti bullying message. Really cleverly conceived and constructed. All in all, this series is superb writing from a newer author who wont stay newer for long. I have to say I do prefer his more conventional thrillers, but the Bullied series is a great romp through magic and the supernatural, and if, like me, you initially shied away as this isnt really your normal genre, then, believe me, youd be missing a treat. So I urge you all to join me and discover the work of Chris Smith. When he hits the international best seller list time and again, as hes already started to do, youll be able to say, like me, that you were enjoying his books when he was an unknown writer! \*\*\*PLANET KINDLE ON CHRISTOPHER SMITH\*\*\*Fifth Avenue, the first novel by penned Christopher Smith, is a fantastic first effort and was the reason I was simply unable to put my Kindle down over this Christmas period. And I would go as far to say that it ranks as one of the best first novels Ive ever read.--PLANET KINDLE\*\*\*P.M. RICHTER ON CHRISTOPHER SMITH\*\*\*Fifth Avenue. A big, big novel. A blockbuster? Yes. A bestseller. It should be. The author, at the beginning of the novel, thanks the people who introduced him to the real Fifth Avenue. I suspect the real one could not be as interesting or engrossing as this novel. ...This is a highly recommended novel. It deserves the five stars. -- P.M. RICHTER\*\*\*CHRIS TRUSCOTT ON CHRISTOPHER SMITH\*\*\*Christopher Smith delivers an amazing story thats worth the advance billing. ...His writing is smooth, his observations are sharp and the plot he built is downright stunning. --CHRIS TRUSCOTTBooks by Christopher Smith:Fifth AvenueRunning of the Bulls: A Wall Street ThrillerFrom Manhattan with Love: A NovellaBullied: The Complete Series Box SetThe Fifth Avenue Series Box SetJOIN CHRISTOPHER ON FACEBOOK: [on.fb.me/FQ2MuT](https://www.facebook.com/on.fb.me/FQ2MuT)
