

Princess Pig: A Short Vowel Adventure (BraveMouse Readers)

The phonics focus of this book helps teachers looking for materials to fit specific lesson plans, but the stories never feel educational. Lets play princess, said Pig. I will give you three wishes, says Twig. But three wishes are not enough for Princess Pig. She wants four, then five, then six! Pig and Twig are friends, but Pig is being demanding. What will Twig do? Princess Pig features the short i sound, a bossy pig, and a friend who knows when to say No!
