

Omar on Ice (First Flight: Level 2)

Omar loves drawing pictures and wishes he could be as good at it as his classmate Elsie. But his teacher, Ms. Fudge, can never figure out what Omars pictures are no matter how hard she tries. When the whole class goes ice-skating, however, Omars true talent emerges. He shows Elsie how he can glide and whirl and spin. After all, its easy when you dont worry and just have fun. And the whole class discovers with Omar that there is more than one way to draw pictures.
