

First Grade Stinks!

No share time! Only one recess! Writing is hard! The stories dont end right! FIRST GRADE STINKS! It is the first day of school and Hayley is excited. Things are different now. She isnt a kindergartener anymore; she is a big kid. She is a first grader. Hayley quickly finds out that first grade is different from kindergarten, but in all the wrong ways! The classroom isnt as bright and colorful. Ms. Gray doesnt seem to smile as much as her kindergarten teacher Ms. Lacey did. The work is hard and there isnt enough time to play outside. Worst of all, her best friend Ryan says he likes first grade! Finally, Hayley has had enough. First grade stinks! she shouts. The classroom is suddenly very quiet. Youre in trouble now, Ryan whispers. But to Hayleys surprise Ms. Gray doesnt look mad at all. Young readers will immediately empathize with Hayley and her increasing apprehension, as she tries to negotiate new expectations and challenges on the first day of a new school year.
