

Ole And Zac And The Port Of Tumbattle

Ole And Zac And The Port Of Tumbattle tells the tale of two small boys who go off in search of adventure. They hitch a ride on the back of a turtle on their way to the port of Tumbattle, where pirates once fought, and sabres once rattled, and they meet a host of pirates and several strange creatures as they look for lost treasure. The adventure is fast paced, with lots of characters, and all told in entertaining rhyme.
