

Turning Grace (The Turning Series, Book 1)

****Medal Winner of the 2014 New Apple Book Awards in the E-Book Sci-Fi/Fantasy/Horror Category**** Life or death? It all seems to be the same for Grace. Some of us have been there before -- falling for the hot, popular jock who just so happens to be dating the hot, popular girl in school. Your snarky-but-always-right bestie insists you make a move, but you're not so much into putting yourself out there. Then it happens, and suddenly you find yourself eating a cat on your neighbor's porch. No? Never happened to you? Well, Grace Watkins can't say the same. Her hunger is growing with each day that passes and her urges are getting harder to control. No one can explain why her body is changing, except one man.
