

What A Girl Wants

Novelization/scrapbook of the latest teen hit from WB. Amanda Bynes, star of Nick and The WB, is an American girl who finds her long-lost British father in this warm Princess Diaries-type movie. Daphne (Amanda Bynes, star of The WBs What I Like About You) knows some things missing from her life. She's crazy about her mom, but she's never even met her father. So, on her 17th birthday, Daphne packs a bag, writes her mom a note, and grabs the next flight to London, England. It turns out Daphne's dad is a British Lord running for Parliament. But his campaign isn't exactly thrilled about his long-lost daughter. To them, she's nothing but a vulgar Yankee. Can Daphne survive the stuffy world of lords and ladies -- and get to know her dad in the process?
