

Do Zombies Sleep?

Hello, boys and girls. Professor I.Q. McFlea here to take you on a magical journey of discovery, amazement and complete silliness. I am a teacher of cryptozoology which means the study of monsters! Over the years, I've kept a journal of the best questions that kids have asked me about monsters, mutants and magical creatures. And I've traveled the world to find the answers - from the mountains of Pennsylvania to the castles of Transylvania. Join me as I attempt to explain the unexplainable and describe the indescribable. And also tell a few bad jokes.
