

Arclight

No one is safe when the lights go out a sci-fi thriller you shouldnt read in the darkThe Arclight is the last refuge in a post-apocalyptic world consumed by terrifying monsters called the Fade. No one crosses the wall of light that keeps the last human survivors safe. Theres nothing else left and nowhere to go. Or so they thought, until Marina, a lone teenage girl, stumbles out of the Dark.Marina cant remember anything about her life before that moment. Where has she come from? How has she survived? And why do the rulers of the Dark seem determined to destroy her? To find out, she will have to venture back into the Dark . . .Edgy and chilling, perfect for fans of Veronica Roth, Stephen King and Suzanne Collins.
