

The Forbidden Trilogy

Those inside are special, gifted with unique abilities, abilities that make them dangerous to the outside world. Since childhood, they're trained to control their powers, to show restraint, and to defend themselves. For years they practice, honing their gifts for one purpose: to be rented out to the highest bidder as a spy, to be used as a weapon against others. Sam never questions her role at the secret organization dubbed Rent-A-Kid. Until she meets Drake. She reads minds. He controls minds. Together, they might get out alive. THIS SPECIAL EDITION INCLUDES: *Award-Winning Book #1 - Forbidden Mind *Book #2 - Forbidden Fire *Book #3 - Forbidden Life *In-Depth Q&A with Author Kimberly Kinrade *Extensive Bonus Content (Available ONLY in this Special Edition)
