

Cow Who Clucked, The

Cow has lost her moo can she find it again? Having lost her moo, Cow is stuck clucking. The only thing to do is go out and find that moo! Join Cow and her friends as they conduct their vocal barnyard search. Cow tramps through a wheat field and on into the starry night until she is too tired to look any farther. But in the end, Cow and her moo are reunited, and all is well. The simple repetition will have children chanting right along with Cow. It is not you who has my moo! Using a van Gogh-inspired palette and art style, Caldecott Honor winner Denise Fleming has created a character who will appeal directly to a preschooler's sense of humor. The Cow Who Clucked is a 2007 Bank Street - Best Children's Book of the Year.
