

Ava Dreams of Water

Everyone needs clean water, yet 800 million people don't have access to it. At school, Ava learns of a village, deep in the rainforest, that lacks clean water. That night, Ava dreams about visiting Juan, a boy who lives there. Everything in the dream seems very real! Ava dreams of Juan, every time she sleeps. He shows her all the ways healthy water will help his family and friends. One night, Ava can't find Juan. Where has he gone? Will she see him again? Does anyone believe that Ava's dreams are what brought her and Juan together? *AVA DREAMS OF WATER* is about the dreams we all have for a better life, and friendships that transcend time and place. A portion of the proceeds from *Ava Dreams of Water* goes to Rainforest Flow, a non-profit 501(c)(3) organization that has brought clean water to villages in the Amazon of Peru since 2007.
