

Landing On My Feet: The Adventures of Poohka the Cat

Poohka is a feral cat in a plush Spanish town. Life is good for him until one day he is swept up by a rubbish truck, crushed and dumped many miles from home. Then with the help of his fellow creatures Poohka begins the difficult journey homeward. Helped by an impatient owl, a heroic tree and a brave, little mouse Poohka hobbles homeward on a badly broken leg. Can he survive the many dangers of the wild, the hovering vultures and a wicked witch, to make it back home to the friends he loves so much? Landing On My Feet is a remarkable tale of feline bravery and endurance, an epic adventure that will delight young children everywhere.
