

Oh, Bother! Someones Jealous!: Walt Disneys Winnie the Pooh Helping Hands

In this special Helping Hands picture book series, everyday problems in the Hundred Acre Wood are addressed and happily resolved. Someones Jealous shows Pooh and his friends having a competition to see who can bounce the furthest. Tigger is sure he will win the contest, but Roo the baby kangaroo turns out to be Best Bouncer by far. Poor Tigger. He is jealous and angry and ends up walking away from the competition. Christopher Robin is called in to help, and before long Tigger is back to his old bouncy self, realizing that his jealous feelings were not, in fact, Tiggerific.
