

Bedtime Fairy Tales Book 1 (Volume 1)

This is the first of a series of short story books for bedtime reading to the little ones, or a challenging read for the older children. These Fairy Tales, Myths, Legends and Folk Stories are drawn from many lands, and presented in a modern style. Read about fairies, giants, witches, enchanted forests and palaces, dwarfs, deep dark dank dungeons and lots more. Heaps of colourful vector drawings on every page to illustrate the stories. Now...Step into the Fairy Ring and meet the little people.
